The Assortment Is Superb

In point of variety and the range of prices leaves nothing to be desired. In a word, the stock is as complete as we know how to make it, and when the difficulties in obtaining complete ranges of styles from the best makers is taken into consideration, because of the garment workers' strikes, we repeat that we are thankful that we have succeeded so well.

The New Coats for Ladies

Are chiefly 27-inch, 3-4 lengths, and full length garments. The materials embrace everything that woman's varying moods may think, including Electric Seals, etc. The styles are purely a matter of fancy and there's a variety here great enough to tire out the most energetic shopper we ever met, while the values are unsurpassed.
